## First Artist Statement – Art I Printmaking Project

All artist statements after this will be “free-written.” This template is intended to teach you how to write about your work in the best way.

What was the purpose of creating your piece of artwork?

---

---

---

What were the steps you took to create your piece of artwork?

---

---

---

What was something unique you did that you didn't see in anyone else's work?

---

---

---

What do you like most about your work?

---

---

---

What would you change if you could do the project over again?

---

---

---

What is something new you learned from completing this project?

---

---
