

Movement and Rhythm

Pre-Test!

What is the relationship between these two terms?

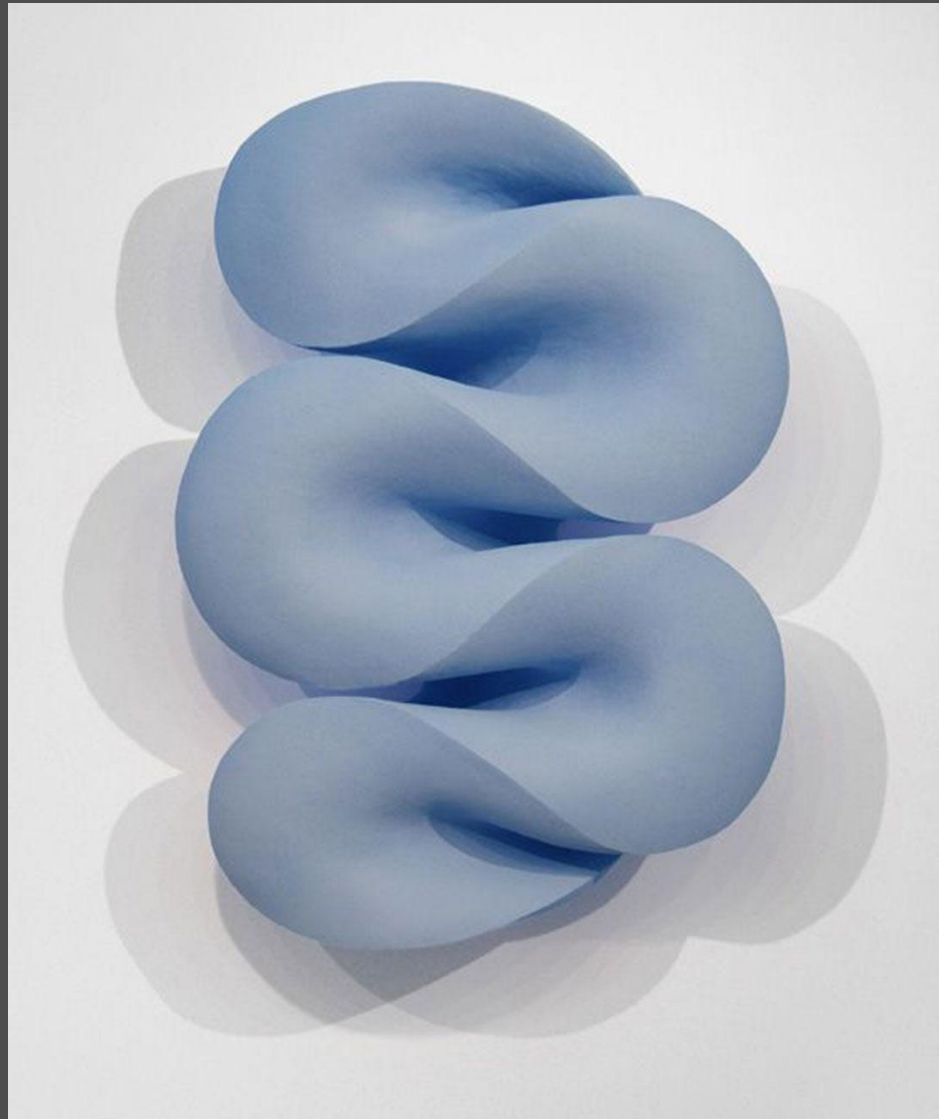

Movement

The path the viewer's eye takes through the artwork. Such movement can be directed along lines, edges, shapes, and colors.

What are some examples of how line can suggest movement? Color? Shape?

Describe aspects of movement in this piece.

Describe aspects of movement in this piece.

Rhythm

A type of movement in a drawing or painting created when one or more elements of design are used repeatedly to create a feeling of organized movement.

How is this different than “movement?”

Describe aspects of rhythm in this piece.

Describe aspects of rhythm in this piece.

Review

What are the elements and principles that you have already learned?

How are they related?

Can they be used with each other?

Do they build on each other?

Practice

Draw a thumbnail that represents every element/principle we have covered so far.

Write how and why it covers all of the elements and principles.
